

M5 Junction 11 Northbound to GCHQ Oakley Site

- Leave M5 junction 11 heading towards Cheltenham onto the A40.
- Continue on the A40, at the roundabout take the third exit.
- Following A40 crossing one set of traffic lights and past GCHQ on your left (this is the Benhall site).
- At the next roundabout take the second exit continuing on A40 to the next set of traffic lights, where you will pass T J I Fridays / Shell Petrol Station.
- At this set of traffic lights continue straight on into Lansdown Road, through two more sets of traffic lights. At the second set of lights move over into the right lane.
- Bear right at Texaco Petrol Station roundabout and take the first second exit into Andover Road (A40)
- Keep heading straight on crossing the next set of traffic lights into Suffolk Road. Continue on this road to the next set of traffic lights.
- At these lights continue forward on into Thirlestaine Road passing the Cheltenham College on your right and left, to the mini roundabout.
- Turn left at the mini roundabout into Old Bath Road, continue on this road crossing another mini roundabout, until you reach a set of traffic lights.
- At these light continue straight on into Hales Road.
- Stay on this road until you come to two mini roundabouts, continue over the first one and at the second one take the second exit right into Harp hill.
- You will pass the Hewlett Arms on your left, continue straight on up the hill - fields at the top.
- Follow this road up the hill and round to the left, Oakley site entrance is on your left.
